WORKING WITH

Dear Fellow Servants,

Stand Up Straight and Do Not Worry Friends!! I love to read this passage of scripture from Luke chapter 12.

27 Consider the lilies how they grow: they toil not, they spin not; and yet I say unto you, that Solomon in all his glory was not arrayed like one of these.

28 If then God so clothe the grass, which is today in the field, and tomorrow is cast into the oven; how much more will he clothe you, O ye of little faith?

32 Fear not, little flock; for it is your Father's good pleasure to give you the kingdom.

Sometimes I need to be reminded that Jesus assured His disciples they would overcome, not by drawing on their limited resources or by force, but by relying on their Father's generosity to His flock. I pray this is encouraging to you as it is to me!!

I want to tell you where we are with our REACH ministry. We have found the only company in the United States that makes a portable building we believe will meet our needs with what we want to do with our REACH ministry. On April 10, Brant Lane and I will travel to Rochester, New York, to look at the building and see if it is suitable. Check out this link [www.evolutiondome.com/inflatable-structures/event-cubes/10m-cube-inflatable-building](http://www.evolutiondome.com/inflatable-structures/event-cubes/10m-cube-inflatable-building) to see the building we are considering.

I believe in next month's newsletter I will have a detailed list of the things we're going to need after we get back from looking at the unit. Please be praying what God would have you do to be a part of this opportunity to help REACH people for Christ. Areas like Mississippi and Arkansas where the recent tornadoes have hit are where we should be helping REACH people for Christ and ministering to their physical needs. With our REACH ministry, we want to take advantage of every opportunity to REACH people for Jesus.

I want to thank the churches that gave me the opportunity to preach and share our work about Macedonian Missionary Service in the month of March.

- Brother Kyle Sheeley at Liberty Baptist Church in Stephen City, Virginia
- Brother Paul Denny at 2nd Avenue Missionary Baptist Church in Corsicana, Texas
- Brother Jonathan Simons at Corsicana Missionary Baptist Church in Corsicana, Texas
- Brother Les Rhea at Vanderbilt Baptist Church in Tyler, Texas
- Brother Chad Thompson at South Union Missionary Baptist Church in Dangerfield, Texas.

We also had the opportunity to be at Sublett Road Baptist Church in Arlington, Texas, for the World Missions Seminar (MTM). I would encourage your church and your missionaries to attend these seminars. They will help prepare missionaries for going on the field and show what the sending church needs to do to help them stay on the field. You can reach out to [chase\\_reynolds@wycliffe.org](mailto:chase_reynolds@wycliffe.org) for more information on the next seminar.

In closing, I want to thank the new churches that have come on for monthly financial support. We continue to pray that God will bring more churches on to help us with monthly support. Pray for us as we continue to do what God has called us to do!!

His Humble Servants, Todd and Jamie Ward
