Good afternoon from Dexter, Maine. My family and I just returned from the ABA meeting in Orlando and a few days of sightseeing in Washington DC. We appreciate the fellowship and encouragement for the work in Dexter.

This coming Monday is the fourth of July, and Antioch is participating in the parade that the town of Dexter puts on. After the parade, we will have our first Monday of the month "drive-by dinner," which will consist of a hot dog, a bag of chips, and a bottle of water. This dinner is for anyone that needs one and is at no charge, and along with dinner, each person receives information about the church.

Before I attended the ABA meeting, I had the privilege of being a part of Bay Lake's MBC first missions conference. I felt it was an honor to have been invited to share what is going on in Dexter. Brother Sheeley and Brother Brittain did an outstanding job coordinating the meeting. I want to give a shout-out to Chandler, one of brother Brittain's sons, for giving up his room for a week, so that I can have a place to sleep. Thank you, Chandler!

On the way back from the ABA meeting, we attended Brother Marvin Wiggs' mission point in Durham, NC and Brother John Mix's church in Alexandria, VA. We enjoyed the fellowship and encouragement from these two churches and their pastors. Pray for these two works that God would bless their efforts.

In my last letter, I stated that we are still working on getting the sanctuary carpet laid. We are getting closer to the latest estimate given of \$6,500.00. With the cost of materials going up, the estimate has also gone up. We have at this present time a \$1,500.00 toward the bid given. God has blessed us with our sending church, Nevill's Chapel, monthly supporting churches, and individual and one-time offerings from churches to purchase our chairs and paint the sanctuary. The third step is the laying of the carpet. I and the members of Antioch have confidence that God will provide the needed funds through His churches to complete the sanctuary.

Please keep in prayer the funds for the carpet. Also, please pray for our need to have a youth leader come to Dexter and help our work grow in the knowledge of the Lord.

Thank you for your prayers, encouragement, cards, emails, and financial support. Your support is a blessing to the work and me.

In God's Service

George Dever
