WORKING WITH

Dear Fellow Servants,

Are you excited when it is time to go to the house of the Lord? Do you prepare for what that will look like? Do you pray for the services and that God will move among his people and that lives will be changed? David was excited! He penned it in Psalm 122:1 . . . I was glad when they said unto me, Let us go into the house of the Lord. I pray we all think about what a blessing it is to be able to go to the house of the Lord!!!!

It was exciting to get the opportunity this past month to share our REACH ministry and the opportunities to serve through Macedonian Missionary Service to spread the gospel to a lost and dying world. I shared with the following churches:

- Bogata MBC in Bogata, Texas, with Pastor Nathan
- Unity MBC in Texarkana, Texas, with Pastor Mark Clements
- New Hope MBC in Valley View, Texas, with Pastor Robert Hively

Also had the opportunity to help finish out part of the project at Austin Chapel MBC in De Kalb, Texas, with the spray foaming of the new youth building. I ask you to pray that many souls will come to Christ through the outreach of the youth building and their vision for this project.

I'm very excited to tell you the REACH building is in Texas. Thanks be to God for his protection over that process. It traveled over 5,000 miles, and the shipping box didn't have a scratch on it. You know what I'm talking about if you ever got something delivered from Amazon all dented up.

So what is next? I am glad you asked. The individuals who sold us the unit are coming to our Texas shop on September 4th to help us set it up and take it down one more time so we will know the process. After that, we will get the trailer set up that will haul the building and all the equipment. I pray that soon we will be ready to go when the opportunity comes. Thank you to the individuals and churches who have sent money for the REACH ministry project. Of the \$40,000 total that was needed, there is only a remaining balance of \$22,000 to payoff. God has truly been blessing.

I want to say a special thank you to Buddy and Connie Raney for donating an unbelievable cook trailer to our ministries. We're going to take this trailer along with our REACH building to the areas that are affected by natural disasters or man-made events and REACH the lost with the gospel.

I ask you to specifically pray for the REACH ministry and to prayerfully consider helping us raise the funds needed so we can go and tell the people in crisis situations about the one who can help them get through the storms of life – our Lord and Savior Jesus Christ!!!

Thanks for your prayers and support. Please contact me if you would like for me to come and personally share our ministry with your church family.

His Humble Servants,
Todd and Jamie Ward
