Brothers and sisters, hello from Maine.

March 20, 2024

I am writing this letter with winds up to 55 miles per hour and snow coming down about an inch an hour. Spring has yet to arrive, as the calendar says. This time of year, the weather patterns are only a guess by the weatherman where one day, it is fifty degrees, and the next day, it is 27 degrees, snowing, sleeting, freezing rain, and windy.

God has blessed Antioch and its members personally and corporately through their faithfulness in giving to God through Faith Promise Giving. Antioch's financial responsibilities are met sometimes nip and tuck and supporting missions in a broader scope. Through Faith Promise giving, Antioch has had Zoom meetings with missionaries that we would not have had the opportunity to meet. This process is encouraging for the members, and we hope the missionaries as well.

This Saturday, we will have a carnival with games, food, candy, and prizes. Hopefully, the weather forecast prediction of 18 inches of snow will hold off until after the carnival. The carnival will run from two to four, so we pray that the snow holds off and the community will attend.

We are planning for summer outreaches with VBS in April, the musical group Avenue will be with us over the Labor Day weekend, the Red Hot Dog Festival in August, the National Meeting in June, and our quarterly meeting on the last of April, and on a personal note Labor of Love will be with us in April helping me remodel my kitchen.

Prayer requests are many: a youth minister, for committed members, for Dexter to be receptive and allow the Spirit of conviction to bring change in their lives, and for me to have energy and balance.

Thank you for your prayers, encouraging cards, phone calls, and financial support. The work and I appreciate all that you have done and will do for Antioch.

In Christ Service

George Dever
